If you have a sewing machine and a little basic sewing knowledge you can make warm mittens, scarves, and sleeping bags to donate to the needy poor in your area. Donated sweaters and fabric of light/mid-weight wool, knits, and flannel can be up-cycled into these items, with fleece fabric, sweaters, robes, or blankets cut up for the lining of your bags and mittens.

If there be among you a poor man of one of thy brethren within any of thy gates in thy land which the Lord thy God giveth thee, thou shalt not harden thine heart, nor shut thine hand from thy poor brother: Deuteronomy 15:7
