Pray for me that I find other remnant brethren to worship with on Sabbath here in South Africa. Spending the Sabbath alone is not the ideal situation for me as I can't go and join my SDA brethren. No more truth is said there but just social gospel. I have to wait until Sabbath is almost over this side for the online church

Many of us feel as you do Warren, desiring flesh and bone brothers and sisters to worship with, but the Lord blesses through our trials. Remain in prayer, as we all must. One day we will worship together and with our Lord! I have added you to my prayers - keep the faith brother.

Please pray for me and my family. My wife is a devout Methodist which make it confusing for our young children and difficult for my walk. I have been following SDR since 2010. I am working in the British Army since 2000 until now and I would like to be Deliver, save and be baptise into SDR. In Jesus name. Amen.

Please pray for my Wife, Child, Mom,Dad, and brothers for they can truly accept The Lord Jesus Christ and have a true conversion of Heart. To feel That Need for our Saviour. So they can get out of the Laodiceans state. GOD bless you all and The Lord Jesus Christ loves you more.
